

## CHEMICAL PROCESSING AUDIENCE REACH

Through our print publication and multiple digital platforms, the *Chemical Processing* brand connects with decision makers in the global chemical industry community thousands of times each day in over 200 countries. Social media, too, is an increasingly important means by which *Chemical Processing* connects with the global chemical industry community.

### Reach by Platform

\* Sum of Facebook Reach (5,300 monthly), Twitter Followers (12,333) and LinkedIn Group Members (14,968) as of 6/30/2021

### Monthly Domestic vs. International Reach
